RETRACTED: Case Report: Abdominal perforation by ureteric stenting [version 1; referees: retracted]

Marianna Zukiwskyj, Stephanie Alexander
Department of Surgery, Rockhampton Hospital, Rockhampton, Australia

Retraction

This article has been retracted. Although the patient originally gave verbal consent for publication, this was later withdrawn; miscommunication between the authors meant that the article was published without written consent. The content of the article has been removed in order to protect the patient’s confidentiality.
