Table S1. Replicate measurements of green tea extract for total phenolic content.

Sample	Total phenolic content in mg mL^{-1}	Mean total phenolic content in mg mL^{-1} ± SD
Green tea replicate measurement 1	36.74	36.76 ± 0.255
Green tea replicate measurement 2	37.02	
Green tea replicate measurement 3	36.51	

SD, standard deviation
